Andrea,
I completely agree with your approach and am generally open the first full week of December to meet here in Bloomington.

Scott and Marissa,
We have gotten phone calls from Peabody requesting meetings in reference to the Seven Hills Project and the Corps recent letters. We had not seen these documents until yesterday. After reviewing these, EPA would like to set up a meeting with Corps and FWS prior to meeting with Peabody.

We were looking at times to meet the first full week of December. If this works for everyone are willing to meet in Bloomington. Then we could look at meeting with Peabody as early and the second full week of December, pending everyone's availability.

So you are aware, EPA has responded to Peabody that any meeting would include the both Corps and FWS, and would occur after we had a meeting with the other federal agencies.

Talk to you soon,
Andrea
